Roads and Streets

Design, Construction, Maintenance and Traffic Control

1930
R 625.7 v.70

INDEX

Vol. LXX, January-December, 1930

GENERAL INDEX

A

Accident Prevention on Construction 160
Accident Statistics, Traffic 364
Administering State Gas Taxes on County Highways 367
Aerial Maps for Highway Planning 256
Aggregate Shipment of Cars 167
Aggregates, Simplification of Sizes 133
Airport, Detroit City, Pavement Requirements 241
Airport Developments and the Highway Engineers 241
Airport, Selecting Site for 296
American Engineering Council, Recommendation for Street Traffic Control Signals 47
American Engineering Council Recommended Practice for Street Traffic Signs 114
American Road Builders' Association Exhibition, Description of Exhibits 27
American Road Builders' Association, 1930 Convention 23
Application of Asphalt Filler 102
Arizona, Maintenance Cost 391
Arterial Highways 111
Asphalt Emulsion, Use for Widening Mountain Road 341
Asphalt Filler Application by Machine 102
Asphalt Institute, Formation of 57
Asphalt Paving Conference 370
Asphalt Paving Plant, Improvement in 158
Asphalt Paving Plant, Municipal, Denver 311
Asphalt Pavement Repaired by Surface Heater Method 250
Asphalt Pavements, Methods and Costs, Columbus, Ohio 173
Asphalt Plant, Gas Fired Boiler for 294
Asphalt Plant, Municipal, Flint, Michigan 158
Asphalt Producers Form Institute 57
Asphalt Resurfacing, Denver 311
Asphalt Topping, Salvages, Denver 311
Asphaltic Concrete Resurfacing of Old Sand-Asphalt 2
Australia, Highway Construction 135
Automobile Operation by State Highway Department 300

B

Beautification of Highways in Connecticut 400
Before and After Pictures 374, 410, 448
Bidders, Highway, Prequalifications of 199
Bituminous Application of Hardening Road Shoulder in Connecticut 179
Bituminous Applications for Removal of Corrugation 183
Bituminous Construction, Oil Mix in Missouri 132
Bituminous Construction, Retread, Missouri 137
Bituminous Construction, Retread, New York 169
Bituminous Emulsions, Composition of Properties 274
Bituminous Macadam of Extra Smoothness, Methods of Constructing 41
Bituminous Macadam, Rhode Island, Practice 213
Bituminous Materials for Treatment of Subgrades 77
Bituminous Pavements, Use of Finishing Machines on 235
Bituminous Retread in Missouri 137
Bituminous Surface, Bartlesville, Oklahoma 348
Bituminous Surfaces for Light-Traffic Highways 329
Bituminous Treatment, Oil Mix, New Mexico 315
Bituminous Treatment, Sand Clay Roads 73
Bituminous Treatments on Gravel Surfaces, Minn. 68
Bituminous Treatments on Gumbo Subgrades in Minn. 68
Bituminous Treatments on Heavy Clay and Subgrades in Minnesota 68
Blasting Operations, Improving 207
Block Pavement, Old, Resurfacing 428
Blotter Treatment of Gravel Roads in Minnesota 68
Bonus and Penalty Requirements, Highway Construction 44
Book Reviews 163, 203, 338
Boulevard Construction, San Francisco, Shoring of Steep Sandhill 89
Brick Pavement on Metal Base 359
Brick, Paving, Revised Specifications for 61
Brick, Relaying in Pavements 254
Brick, Salvaging and Relaying in Pavements 254
Bridge, Highway, Mount Hope 285
Bridge, Longest Multiple-Arch, Concrete 15
Bridge, New Maumee River 396
Bridges, Protection Against Stream Erosion 171
British Experiments with Rubber Paving 435

C

Calcium Chloride as Preventative of Slipperiness on Icy Roads 113
Car Operation, State Highway Department 300
Catch Basin Muck, Methods of Disposing of 50
Cement Bound Roads, "Sandwich System" 429
Church Street, New York, Widening and Reconstructing 421
City Trees, Census of 131
Clay Subgrades, Bituminous Treatments for 68
Cold Asphalt Road Emulsions 274
Columbia-Wrightsville Bridge, Construction Details 15
Columbus, Ohio, Maintenance of Asphalt Pavements 173
Commercialism Degrading to Pure Science 266
Common Carriers, Unfair Taxation of 22
Competition of Properties 274
Concrete Highway Bridge, Longest Multiple-Arch 15
Concrete Maintenance, New Machines, Wayne County 412
Concrete Pavement, Machine for Determining Smoothness 428
Concrete Pavement Maintenance in Iowa 292
Concrete Pavement, Maintenance, Oakland County, Mich. 194
Concrete Pavement on Oregon Road 362
Concrete Pavements, Constructing Contraction Joints 401
Concrete Paving Operations, Lost Time in 236
Concrete Paving, Mixing Cycle 365
Concrete Paving, Tandem Paver Operation for 349
Concrete Paving, Record Run, Missouri 354
Concrete Road Construction, Labor Organization for 82
Concrete Roads, Joints 345
Concrete Roads, One-Lane, Illinois Counties 443
Construction Equipment, New 82, 125, 164, 204, 239, 268, 302, 339, 380, 417, 454
Construction Views, California Highway 426
Construction Views, Indiana Highway 388
Contraction Joints, Construction, Labor Saving Methods 401
Contraction Joints, Methods of Constructing of Concrete Pavements 401
Contract Operations, Highway, Time Studies of 207
Conventions and Committees 442
Corrugation Removal from Macadam Roads 183
Cotton Fabric Use in Earth Road Construction 197
County Highway Improvement, Practical Plans for 372
County Highway Traffic Control 149
County Highways, Maintenance of 63
County Manager Plan 275
County Road System, How Small Illinois County Maintained 63
County Roads, Planning 325
County Roads, County and Township Road Section 325
County Roads, Systematic Plan for Developing 407
County, State Aid to 404
County and Township Roads, Announcement 324
County and Township Road Section 371, 405, 443
Cross Road Construction, Cook County, Illinois 431
Crying Need of More "Intelligent Ignorance" 201
Cuban Central Highways, General Features of 383
Cure for Our Worst Economic Disease 161
Curves, Superelevating and Widening in Vermont 14

D

Drainage in Road Construction 225
Drainage System, Design for Roads 225
Drainage Work, Recent Developments 105
Drinking Fountains Along Highways in Oregon 277
Does "Space" Offer Resistance? 161
Detours, Methods of Handling 231
Detours, How Handled in Pennsylvania 231

E

Earth Road Construction, Fabric Membrane in 197
Educational Methods Tested Experimentally 124
Embankments, Flow Over, During Floods 247
Embankments, Formulas for Calculating Flood Waters 247
Emulsified Asphalt, in Mountain Road Work 341
Emulsions, Asphalt, Properties 274
Engineering Control in Municipal Improvements 261
Erosion Protection of Roads and Bridges 171
Essayists, A Few Thoughts About 403
Everyday Happenings on Ordinary Road Jobs 251
Exhibits at A. R. B. A. Road Show 27

F

Fabric Membrane in Earth Roads Construction, South Carolina 197
Farm to Market Roads 3
Federal-Aid Roads, $750,000,000 Appropriated for 201
Finishing Machines on Bituminous Pavements 235
First Steps Taken Toward Securing a Highway from Alaska Panama 323
Flint, Michigan, Municipal Asphalt Plant 158
Floods and Highway Maintenance, Indiana 364
Flow Over Embankments During Floods 247
Foreign Road Construction, Notes on 428
Frost Action on Shoulders 298
Frost Action on Subgrades 298
Frost Boils, Combating with Dynamite 299
Frost Boils Control, in Wisconsin 298

G

Garage, County Road Department Equipment for 110
Gas Fired Boiler for Asphalt Plant 294
Gas Tax Collected in 1929 196
Gas Tax May Amount to $550,000,000 141
Gasoline Sales, Significance of 15 Per Cent Increase in 21
Gasoline Tax Should Not Be Diverted 403
Gasoline Taxes and Their Effect on Road Work 238
Girder, Heavy Plate, Grade Separation 437
Gold Hoarding as a Cause of Lower Prices and Wages 441
Grade Crossings, Railroad, Traffic Separation 153
Grade Crossings, Railway, Protection of 228
Grade Crossings, Railway, Safety Precautions 279
Grade Separation, Heavy Plate Girder in 437
Grade Crossings, Structures, Elimination for 142
Grading for Airport 241
Grading, Mountain Road, with 7 Yd. Scraper 394
Grading Operations, Speeding Up 207
Granite Block Pavement Construction, Church Street, New York 421
Gravel Road Maintenance in Nebraska 155
Gravel Roads, Blotter Treatment of 68
Gumbo Subgrades, Bituminous Treatments for 68

H

Heater Method for Resurfacing Streets 250
Highway Accidents, How to Reduce 123
Highway Appropriations for 1930 123
Highway Bidders, Prequalification of 199
Highway Beautification in Connecticut 400
Highway Bridge, Concrete, Longest Multiple-Arch 15
Highway Bridge, Largest in New England 285
Highway Bridge, Montreal South Shore 310
Highway Bridge, New Brunswick, New Jersey 310
Highway Bridges, Two Famous 310
Highway Capacities, Discussion and Calculation 319
Highway Construction, Bonus and Penalty Requirements 44
Highway Construction, Improving Conditions in 289
Highway Construction, Methods of Eliminating Delays 207
Highway Construction, Methods of Increasing Production in 207
Highway Construction, Number of Working Days, in Various States 44
Highway Construction, Victoria, Australia 135
Highway Construction Views in Massachusetts 392
Highway Construction View, New Jersey 438
Highway Construction Views, Texas 345
Highway Construction, Weather Conditions in 44
Highway Contractors, Prequalification of 289
Highway Contract Operation, Time Studies of 207
Highway Detours, Economics of 231
Highway Drinking Fountains, Oregon 277
Highway Engineer, English, Qualification of 287
Highway Engineer and the Airport Developments 241
Highway Engineering Examination, Great Britain 287
Highway Expenditures, Prospective Doubling in Ten Years 440
Highway Expenditures, U. S. 321
Highway Finance, Present Status of 51
Highway, Future, Standards in Germany 154
Highway, Heavy Traffic, Pittsburgh 19
Highway Income, Sources of 51
Highway Industry, Student's Opportunity in 231
Highway Intersection, with Railways, Protection of 228
Highway Laws for Overloading of Motor Vehicles 181
Highways, Light-Traffic, Bituminous Surfaces for 329
Highway Loading, Control of 181
Highway Maintenance, Arizona, Cost 391
Highway Maintenance and Floods, Indiana 364
Highway Maintenance in Massachusetts 109
Highway Maintenance and Politics 405
Highway Maintenance, Report Form for 409
Highway Materials Division, Organization of 189
Highway Planning from Aerial Maps 256
Highway Repairs, Report Form for 409
Highways, Right of Way Requirements in Various States 215
Highway Safety System of Wayne County 387
Highway Shoulder, Hardening 179
Heavy Traffic Highway Construction, New Jersey 438
Highway Traffic Control, County 149
Highway Transportation, Should Not Be Controlled by Railway Commission 366
Highway Trunk Line Need for Reconstruction Within Urban Centers 119
Highways, Classification on Basis of Vehicle Load 111
Highway Construction Views, California 426
Highways, Financing of 93
Highway, Wide, in Pittsburgh District 19
Highway Widening and Planning 215
Hoover Construction Program Lives Up to Expectations 301
Horses, Street Department, Cost of Feeding 236

I

Indiana Highway Construction Views 388
"Intelligent Ignorance," The Crying Need of 201
International Association of Street Sanitation Officials 283
International Road Conference 368
International Road Congress 404
Iowa Demands Good Market Roads 413
Iowa Practice of Concrete Pavement Maintenance 292
Iron Plates as Experimental Base for Brick Surface 359

J

Joints in Concrete Forms 345
Joints in Concrete Roads 345
Joints, Contraction, for Concrete Pavements 401

L

Labor Organization for Concrete Road Construction 82
Laguna Honda Boulevard, San Francisco, Construction Features 89
Light Surfaced Roads in Kansas 153
Low Cost Road, Future of 271
Low Cost Roads, Construction and Maintenance 92
Low Cost Roads, Evaluating 443
Low Cost Roads, Method of Building 451

M

Macadam Roads, "Washboard," Maintenance of 183
Macadam Traffic Bound in Kentucky 141
Machines, Finishing, on Bituminous Pavements 235
Magnetic Road Sweeper Operation in North Dakota 344
Magnetic Road Sweepers 29
Maintenance, Asphalt Pavements, Columbus, Ohio 173
Maintenance, Concrete Pavement, Iowa 292
Maintenance, County Highways 63
Maintenance, Gravel Road in Nebraska 155
Man's Most Important Invention 301
Market Roads in Iowa 413
Market Road Problem, Solving 331
Materials Division, Highway, Organization of 189
Maumee River Bridge, New 396
Mechanical Speed Regulators for Reducing Traffic Fatalities 85

SERIAL

MAY 19 1931

Metal Base for Brick Pavements 359
Mixed-in-Place Road, Kalamazoo County 446
Mixed-in-Place Roads in Nebraska 322
Mixer Operations, Speeding Up 207
Mixing Cycle in Concrete Paving 206
More Economical Roads 376
Motoring, Reasons for the Popularity of 238
Motor Vehicle Accidents, Causes of 361
Motor Vehicle Fatalities in 1929 98
Motor Vehicle Registration in 1929 200
Motor Vehicle Taxation, General Principles of 176
Motor Vehicle Tax, New Formulas Proposed 286
Motor Vehicles, Control of Overloading 161
"Motive Power," Announcement of 84
Mountain Road Grading with 7-Yd. Scraper 394
Mountain Road, Widening with Penetration Macadam 341
Mount Hope Highway Bridge 385
Municipal Improvements, Engineering Control in 361

N

National Conference on Street and Highway Safety 245, 264
National Sand & Gravel Association, Recommending Standard Sizes of Aggregates 133
New Profession, Research Engineering 303
North Dakota, Cost of Operating of Automobiles 200

O

Oakland County, Methods of Concrete Pavement Maintenance 194
One-Lane Concrete Roads, Illinois Counties 443
Oil Mixed Road, Kalamazoo County 446
Oil Treated Road, Experimental, California 82
Oiled, Mix Roads, California 221
Oiled-Mix Roads, Colorado 221
Oil Mixed Roads, Maintenance Methods, New Mexico 224
Oil Mix Method in Missouri 132
Oil-Mix Roads, Methods and Costs, New Mexico 315
Oil Mix Roads, Michigan 331
Oil-Mix Roads in Nebraska 322
Oiled, Mix Roads, New Mexico 221
Oil Treated Roads, Maintenance, New Mexico 224
Oiled Roads, Surface Mix Type 221

P

Pavement Construction Turned Over Brick 254
Pavements Existing, Resurfacing and Salvaging General Principles and Methods 103
Pavement Maintenance, Concrete 194
Pavement Opening and Restoration of 71
Pavement Opening, Practice in Various Cities 71
Pavement, Penolithic, Construction Methods 350
Pavement Requirements for Detroit City Airport 241
Pavement, Resurfacing at Low Cost 348
Pavement Roughness Test in Pennsylvania 106
Pavement Traffic, Wayne County 387
Paving Asphalt, Design of 280
Paving Brick, New Bond for 428
Paving Brick, Revised Specifications for 61
Paving Concrete, Multnomah County 362
Penetration Macadam, Design and Construction in Rhode Island 213
Penetration Macadam, for Widening Mountain Road 341
Pennsylvania Highway Materials Division 189
Penolithic Pavement Construction on Pacific Coast 350
Pile Foundation for Cross Roads, Cook County 431
Pittsburgh District, Wide Highway 10
Plan for Converting Vacant Lots Into Playgrounds 334
Planning Highways 315
Politics and Highway Maintenance 405
Prequalifications of Highway Bidders 199
Prequalification of Highway Contractors 249
Prequalifications in Tennessee 72
Progress Report of the Committee of the International Association of Street Sanitation Officials 285
Prospective Doubling of Highway Expenditures in Ten Years 440

R

Railroad Grade Crossings, Traffic Separation 153
Railway Commission Should Not Control Highway Transportation 366
Railway Grade Crossings, Protection of 223
Refuse Removal, Measurement of 335
Refuse Removal, Units of Measurement for 58
Regional Highway Organization 217
Regional Highways 216
Regional Planning as a Solution of Traffic Congestion 178
Report on Traffic Congestion Relief 245
Report on Uniform Street Sanitation Records 283
Reports for Street Improvements 361
Research Engineering, New Profession 302
Resurfacing Streets by Heater Method 250
Resurfacing, Existing Pavements, General Principles 103
Resurfacing with Rock Asphalt on Georgia Highway 352
Retread Construction in Missouri 137
Retread Construction in New York 169
Revolving Construction Fund for County Highways 406
Rhode Island, Penetration Macadam 213
Road Builders' News 336, 378, 414, 452
Road Building, Early Days 76
Road Building and Maintenance in Southwest 390
Road Capacity, Calculation of 319
Road Conditions Reporting Winter, Pennsylvania 430
Road Construction, Contractors Methods 351
Road Construction, Methods in Drainage 225
Road Construction in Siam 429
Road Data, Recent Developments 105
Road Equipment, How States Buy 369
Road Jobs, Ordinary, Everyday Happenings 251
Road, Low Cost, Future of 271
Road Material, Shipment of Cars 167
Road Mileage, World's Need of More 21
Road Relocation in New Hampshire 314
Road Oiling Operations "Job Kink" in 6
Road Show, 1930, Reflections on 85
Road Shoulders, Frost Action on 298
Road Shoulders, Recent Developments 105
Road Subgrades, Frost Action on 298
Road Sweeper, Magnetic, Operation in North Dakota 344
Road Sweepers, Magnetic 26
Road System, Secondary, Indiana 450
Road Work in Victoria, Australia 135
Roads, Farm to Market 3
Roads, Low Cost, Construction Maintenance of 92
Roads, Protection Against Stream Erosion 171
Roads, Strictly Local, State Aid for 371
Roadside Planting in Connecticut 400
Rock Asphalt Resurfacing on Georgia Highway 352
Rock Breaker, Large Welded 300
Rubber Paving British Experiments 435
Rural Transportation Costs Reduced by More Adequate Economical Roads 376

S

Safety Precautions at Railway Grade Crossings 279
Safety Report on Traffic Accidents Statistics 264
Salvaging Existing Pavements, General Principles 103
Sand-Asphalt Widening and Resurfacing with Asphaltic Concrete 2
Sand Clay Roads, Surface Treated 73
Sand-Gravel Roads in Kansas 153
Sandhill Shoring, Boulevard Construction, San Francisco 89
"Sandwich System" of Cement Bound Roads 429
"Scientific Caution" Often Born of Ignorance of the Science of Probability 267
Scraper Grading for Mountain Road 394
Secondary Road Development, Progress in 373
Secondary Road System for Indiana 450
Secondary Roads, Retread Construction, New York 169
Sheet Asphalt Paving Mixtures, Design of 280
Shoulder Hardening in Connecticut 179
Shoulder, Increasing Value for Traffic Use 179
Shoulder Maintenance in Connecticut 179
Shoulder Maintenance 183
Shoulders, Road, Recent Developments 105
Signs, Street Traffic, Recommended Practice 114
Size of Motor Vehicles Should Not Be Limited 366
Skidding Prevented by Application of Cinders 96
Slipperiness Prevented by Calcium Chloride 113
Snow Fighting in Pennsylvania 106
Snow Removal Methods in Minneapolis 433
Snow Removal in Pennsylvania 434
Speed Codes, States Change 26
State Aid to Counties 404
State Aid for Practical Strictly Local Roads 371
State Construction, Yard Stick for 441
State Highway Department, Car Operation 360
State Highway Construction, 1929-1930 7
State Numbering of U. S. Highway Routes 295
State Traffic Control in Massachusetts 97
Statistics of State Highway Construction 7
Street Cleaning, Measurement of 355
Street Cleaning Methods, Result of Survey 107
Street Cleaning Methods in Toronto, Ontario 187
Street Cleaning, Unit of Measurement for 58
Street Dirt, Methods for Disposing of 50
Street Improvements, Reports for 361
Street Lighting, Definite Progressive Plan for 360
Street Oiling in St. Louis 67
Street Sanitation, Measurement Applied to 355
Street Sanitation at Milwaukee, Wisconsin 295
Street Sanitation Records, Uniform 283
Street Sanitation, Units of Measurement for 58
Street Traffic Control Signals 47
Street Traffic Signs—Recommended Practice American Engineering Council 114
Structures for Eliminating Grade Crossings 142
Subgrade Stabilization of Bituminous Materials 77
Subgrade Stabilization, Theory of 77
Subgrades, Treatment with Bituminous Materials 77
Surface Heater Method for Repairing Asphalt Pavement 250
Surface Mixed Roads, New Mexico, Maintenance 224
Surface Treated Sand-Clay Roads in Georgia and Florida 73
Surface-Mix Type of Oiled Roads 221
Superelevating and Widening Curves in Vermont 14

T

Tandem Paver Operation Speeds Concrete Production 349
Tax, Motor Vehicles, New Formula 286
Taxation of Common Carriers, Unfair 22
Taxation, Motor Vehicles, General Principles 176
Taxes, Motor Vehicle 91
Testing Highway Materials 189
The Significance of the 37 per Cent Increase in State Road Contracts 323
Through Traffic Routing in Cities 148
Timber Foundation, Cross Road, Cook County 431
Timber Trestle 142
Time Studies of Highway Contract Operations 207
Toll Roads, Will They Come Into General Use? 129
Toronto, Ontario, Street Cleaning Method 187
Traffic Accident Statistics 264
Traffic Bound, Macadam in Kentucky 141
Traffic Congestion, Measures for Relief of 245
Traffic Congestion, Problem, Efforts in States and Cities to Solve 282
Traffic Congestion, Regional Planning as Solution 178
Traffic Congestion and Urban Centers 119
Traffic Control, Developments in 1929 62
Traffic Control, County Highway 149
Traffic Control, State, Massachusetts 97
Traffic Control Signals 47
Traffic Control, Wayne County 387
Traffic Density in Various States 215
Traffic Engineers Needed by Cities 113
Traffic Fatalities, Reduced by Mechanical Speed Regulators 85
Traffic Problems, Present Day 111
Traffic Separation at Railroad Grade Crossings 153
Traffic Signal, What It Must Do 397
Traffic Signs, Street—Recommended Practice American Engineering Council 114
Traffic Statistics, Uniform, Needed 170
Traffic Through, Routing in Cities 148
Trees, City, Census of 131
Trestle, Timber 142
Turned Over Brick Pavement Construction 254

U

Unemployment, Only Permanent Cure for 365
Unemployment, One Way to Help Solve 442
Urban Centers, Relief of Traffic Congestion in 119
U. S. Highway Routes, Numbering 295

W

"Washboarding," Causes of 183
Wayne County, New Machines, Maintenance Work 412
Weather Conditions, Highway Construction 44
What's the Address? 367
Will Highways Become a Six-Billion Dollar Industry in Ten Years? 237
Widening Highways 215
Working Days, Highway Construction 44

Z

Zoning Progress in the United States 223
